

Department of Chemistry

Activity Report for MOU

An MOU was signed between Sophia College (Autonomous) and All India Metal Corporation on 1st December 2021 for the academic year 2021-22.

All India Metal Corporation provided the Department with a list of research projects from which a particular topic was selected. The MSc part two students under the guidance of the staff members allotted as their mentor did a literature survey on the selected topic. At the end of the semester the students presented their literature survey.

Due to COVID restrictions no laboratory work on the research project could be performed.

Dr. Prabha Shetty,
Head, Department of Chemistry,
Sophia College (Autonomous).
