

The Sophia College Students' Association was originally started in July 1944 as it was felt necessary and expedient that there should be an organisation where students could develop the qualities of leadership and inculcate a spirit of democracy.

The CUC or the 'College Union Committee' is the body which is completely elected and/or nominated by the students of Sophia College (Autonomous). It comprises Class Representatives (CRs), Club Secretaries, Cultural Committee (PRISM) leaders, and the Public Relations Team. It is headed by a Core team which includes the Student Body President, Cultural Secretary, General Secretary and Treasurer. The Principal, Coordinator of Students, and College Warden are ex-officio members and act as advisors without the right to vote.

The CUC seamlessly adapts to any situation which is faced by the students. The CUC is directly or indirectly in charge of all the extracurricular activities that take place in Sophia College (Autonomous). The numerous clubs and associations create enriching opportunities for students on campus all year round. The CUC organises and assists the organisation and implementation of any activity that comes under the purview of Sophia College (autonomous) such as Teacher's Day, College Day, Convocation etc.

The CUC plays a monumental role in bridging the gap between the students and the College. The Core Members of the CUC are also a part of various college committees, such as the Internal Quality Assurance Cell (IQAC), Grievance Committee, Placement Cell, Kaleidoscope etc, which ensures appropriate representation of the student's voice at every stage.

The College Union Committee is a force to be reckoned with, which strives to uphold Sophia ethos and values. Being a part of this committee is considered to be one of the most prestigious positions that a student can hold in the college.
