**Our Sisters and the entire hostel staff
reassuring the students and their parents
that their children will be all well and safe**

Hostel Life is a great experience that teaches us the ways of life

A very fun, exciting and super interactive session conducted by the Principal Dr. Anagha Tendulkar Patil to connect with the students and to make them feel at home

**It's a place where
not only
academics but
mental health is
given a priority
as well.**

**It's a place where
you will be
encouraged to
excel and bring
out the best
within yourself.
It's a place which
truly feels like
home even when
you are far away
from home.**
