**A brief report of the event:**

Under 'Majhi Mati Majha Desh', the NSS unit of Sophia College embarked on a meaningful excursion to Mani Bhavan, a historical museum and building devoted to the life and ideas of Mahatma Gandhi. The purpose of this visit was to pay homage to the Father of the Nation and gain sites into his philosophy, non- violence and selfless service. We wanted to pay tribute to the hero, the great freedom fighter of India. A group of enthusiastic 47 NSS volunteers accompanied by our Program Officer, Dr. Vaishali Pachunde, set out on this journey. Upon reaching Mani Bhavan, the students gathered outside. A pledge was taken in which the students took the Panch Pran and vowed to follow the values of truth, non-violence and social service. The students then explored the museum which showcases a vast collection of photographs, personal artefacts and historical documents. This trip not only educated the students about the historical significance of his life but also motivated them to become responsible citizens who embody the principles of truth, non- violence and service. In conclusion, the NSS unit's visit to Mani Bhavan was a success, fostering a deeper connection with the ideals of Mahatma Gandhi.
